

MARCH BREAK PROGRAM

YOUR ENTERTAINMENT GUIDE

Meet our recreation leaders each day in the front of our welcome centre.

The purpose of this sample program is to give you a general layout of our activities for your stay. It is still recommended to check the activity board outside the Office daily, before your program starts, to see if there are any special requirements or changes.

Remember activities will change due to weather or participation level.

Safety and having fun are the priorities at this resort; our recreation programs provide excitement and creativity for all ages. We are committed to offering personal service and value with our programs. Join in each day with our resort team, and let us help make your vacation a memorable experience.
